LICENSING

1. Age Requirement: Applicants must be at least 16 years old.

2. Education: Completion of a Tennessee-approved barbering program consisting of at least 1,500 hours of instruction. The program should cover various topics such as hair cutting, styling, shaving, beard and mustache grooming, safety and sanitation practices, and other related subjects.

3. Practical Experience: After completing the educational program, applicants must gain practical experience by working as a licensed barber for at least one year or a total of 1,500 hours. This experience must be acquired under the supervision of a licensed barber or instructor.

4. Examination: Once the educational and practical experience requirements are met, applicants must pass both a written theory examination and a practical examination. These exams are administered by the Tennessee Board of Cosmetology and Barber Examiners.

5. State Fees: Applicants are required to pay the necessary fees for the application, examination, and licensing process. The fees may vary, so it is recommended to contact the Tennessee Board of Cosmetology and Barber Examiners for the most up-to-date information.

PROGRAM

Our Barbering Curriculum is meticulously designed to provide students with a comprehensive and immersive learning experience, empowering them with the skills and knowledge necessary to excel in the dynamic world of barbering. With a duration of 54 weeks and a requirement of 1,500 hours, this program offers a well-rounded education through a combination of instructor-led classroom sessions, clinical training, and practical hands-on practice.

Throughout the curriculum, students will develop a mastery of various barbering techniques, enabling them to confidently cut and style hair of diverse textures and lengths. From classic cuts to contemporary trends, students will learn the artistry and precision required to meet clients' unique preferences and deliver exceptional results. Additionally, students will gain proficiency in working with chemical processes such as coloring, bleaching, straightening, and permanent waving, expanding their skill set and offering a wide range of services to cater to diverse client needs.

Our teaching methodology employs a blend of traditional and innovative approaches to enhance the learning experience. Students will participate in engaging lectures, interactive discussions, and hands-on demonstrations, fostering a comprehensive understanding of the subject matter. By encouraging active participation and exploration, we nurture creativity and critical thinking, allowing students to develop their own unique style and artistic flair.

Upon completion of our Barbering Curriculum, graduates will emerge as skilled and confident barbers, ready to embark on successful careers. They will possess a well-rounded skill set, encompassing technical expertise, creativity, business acumen, and professionalism. Join us on this transformative journey as we empower you to thrive in the exciting and rewarding field of barbering.
